## Credit Rules the World

For nearly twenty-five years we have been selling Furniture, Clothing and Household Goods in Houghton county on easy payments, and every year has demonstrated that our business methods are appreciated by the public. Why? Because we give as good values for the same prices as the other fellow, and in addition arrange for the payment of the bill in small monthly or weekly amounts, so that paying, in place of being a hardship becomes a pleasure.

It is a fact that we furnish the homes of nearly one half of the newly married in Houghton county each year. These young people shop around, compare prices, terms, etc., before buying from us. There is no unpleasant feature associated with our plan. We ask no references, no notes, no assignments, and charge no interest.

We price all of our goods in plain figures so you may compare with others. Our rule is to be honest with the public, to be just in all transactions, to deal fairly with all, to sell goods that combine the best material with the most skilled workmanship and at the lowest possible prices; in a word to sell goods that will bring satisfaction to the buyer and honor to the seller. These are the principles upon which our business has been built and accounts for its wonderful success.

WE ALSO SELL CARVING SETS, TAPESTRY, LEATHER AND ROPE PORTIERS, TAPESTRY, AND LEATHER TABLE COVERS, LEATHER PILLOW TOPS, LACE BED SETS, WRINGERS, WASHING MACHINES, BIBLES, ALBUMS, CARPET SWEEPERS.
